# Payment Facilities

---

## **Payment facilities for applicants in Africa**

In seven African countries CIPS has implemented a facility for you to pay your membership fees and examination enrolment fees in local currency by working directly with the British Council. This means that making payments will be more convenient for you and will avoid the cost of currency conversion.

The countries are:

**Botswana, Ghana, Kenya, Malawi, Nigeria, Uganda and Zambia.**

**It is possible to pay your joining fee at a local office.**

### **How to pay**

- Contact the British Council who will advise you of their official exchange rate and tell you how much you need to pay in your local currency. You can then send your payment to the British Council by post or you can take your payment in person to the British Council office.
- Once you have paid your membership subscription fee the British Council provide you with a receipt.
- When we receive your form **and** receipt from The British Council we will process your application.
